Introduction (A brief bio not exceeding 100 words) The Voters would like to know more about you.....

BTech in Civil Engineer with over 40 years of overall experience in execution of Civil Contracts for all infra development works including buildings, roads, water-supply etc. Worked in AP Industrial Infrastructure Hyderabad in India and 20 Years in execution and supervision of civil works as an Engineering Consultant in East African countries of Uganda, Tanzania, Kenya, Malawi & Ethiopia. Presently as Engineers Representative on a World Bank project for Roads to Inclusion and Socio-Economic Opportunities (RISE) for Tanzania Roads Agency (TANROADS). I am on this project for a period of a year from now and will be back in India thereafter.

1. Why do you consider yourself to be a suitable candidate for election? **Being an NPHB and going through the agony. I feel that I can contribute as a Technical Expert on implementation of Infrastructure works in Lavasa.**
2. How much time do you undertake to spend on the assignment related to the work of the Association? **As required, need based.**
3. Are you ready to come to Lavasa for meetings as and when required? **Yes, when in India.**
4. What is your take on the current problems of Lavasa and on possible solutions?

The problems faced by Lavasa are very complex and need patience and discipline from all the affected home buyers. A light at the end of the tunnel is seen in the shape of new RA's to bid for Lavasa under the guidance of new RP. To create a conducive environment for a re start of development Activity.

5. Are you a possession holder or non-possession holder? **NPHB**
6. Are you a defaulter to Maintenance charges? **Not Applicable.**
